

HOSPITALITY ASIA  
PLATINUM AWARDS® 2011-2013  
REGIONAL SERIES

## IT'S TIME TO SHINE

After a six-month judging process, criteria forms are in and scores are being tabulated! A record-breaking number of 167 nominees have been garnered— 62 from Malaysia, 48 from Singapore, 25 from Indonesia, 24 from Thailand and the remainder from Vietnam and the Philippines – indicating a significant 20 percent growth in participation since the first HAPA Regional in 2008.

As the days draw closer to HAPA Regional 2011-2013, we trust that all of you have marked down 17 and 18 November 2011 in your calendars as it's only a mere two months away! Our theme this year for the first night at Capella Singapore is Ritzy White so do come in your best white. The second night on 18 November will be held at Mandarin Orchard Singapore with a Black and Plush Violet colour theme, and a Black Tie dress code. Be on the lookout, for invitation cards are already on the way. Your punctuality is imperative for both nights because we will start the programme on time to have all 35 awards given out. Yes, 35 awards!

In line with HAPA's 10th anniversary this year, we are introducing a new concept to the awards by recognizing the 'Best 10 in Asia'. All categories will have two groups of awardees; the Platinum and Gold. For instance, HAPA Signature Luxury Hotel category will have 5 Platinum winners and 5 Gold winners. In the Major Award categories, the top scorer amongst the Platinum winners will emerge as the ultimate winner.

One policy that remains since HAPA's inception is that every personality nominated – be it a General Manager, entrepreneur, chef or F&B personality – must be present at the dinner, feeling the exact same anticipation as they wait upon results. As introduced by HAPA's founder back at the 2008 Regional Series, a report card will be given to each nominee indicating their scores, strengths and weaknesses. Our programme is designed to ensure that not only the HAPA benchmark score is raised every year, but also for our nominees to be well-aware of their standing and performance.

Seeing that our nominees will be arriving from different cities across Southeast Asia, we decided to make the awards a two-night event to better provide networking opportunities and of course, allow sufficient time for nominees to relax and enjoy their time in the Lion City.

Charity has always been a significant part of HAPA as a form of giving back to society. This year, we have chosen the Make-A-Wish Foundation, Singapore. The Adopt-A-Wish Programme created by the foundation allows individuals or companies to adopt and grant the heartfelt wishes of children with life-threatening illnesses. We are proud to announce that we have pre-adopted one child's wish, even before funds are raised, and we are hoping to adopt a second child's wish should sufficient funds be raised at the Gala Dinner.

As we reflect on the success of HAPA over the last decade, we wish to extend our heartfelt thanks and appreciation to the sponsors who have made HAPA possible year after year. To our seven main sponsors this year – Fonterra, Hap Seng, HORECA, PestBusters, Sia Huat, VingCard Elsafe and Woleco – thank you for your support and generosity. Much appreciation also goes out to our other sponsors who have contributed in kind. We also thank our nominees for believing in the HAPA programme and entrusting us to elevate the level of service standards. And to our dear judges who have taken time off their busy schedules, we appreciate the time and expertise you have invested into this programme.

So remember, dress to impress, according to the theme, and be punctual! You do not want to miss out on a single moment because it may be your name or establishment we are calling out for on the award stage!

MANDARIN  
ORCHARD  
SINGAPORE  
BY MERITUS

## MANDARIN ORCHARD SINGAPORE

Meritus Hotels & Resorts (MHR) is a Singapore-based hotel management company owned by Overseas Union Enterprise (OUE), a Singapore Exchange-listed property developer boasting a complete portfolio of prime assets across the retail, commercial, residential, and hospitality sectors. Meritus is long regarded as Singapore's icon of world-class hospitality through its flagship Mandarin Orchard Singapore, the first hotel built on Orchard Road in the late 1960s when it was known as The Mandarin Singapore. Since then, it has become the heart of hospitality in Singapore, providing guests with its signature Asian Grace, Warmth and Care for the last four decades.

Leveraging the success of the brand name that consequently became synonymous with Asian hospitality, it was decided that this unique blend of service culture should be extended to the rest of the world, thus Meritus Hotels & Resorts was established. Meritus is proudly a Singaporean hospitality brand now with an international footing, delivering a distinctive 'Meritus Experience' inspired by the virtues and richness of its Asian heritage. With presence in major cities and idyllic destinations in Singapore, Malaysia, and China, Meritus will be opening more hotels and resorts in key locations across the globe.

At the forefront of Meritus' signature hospitality is the Meritus Ambassador. Elegant in her iconic red cheongsam, she epitomizes the virtues of Grace, Warmth, and Care – hallmarks of the Meritus Experience. Affectionately known as the 'Mandarin Girl' back in the 70s and 80s, the Meritus Ambassador was born in 1971, serving exotic teas and welcoming guests from all over the world. She is the first point-of-contact at every Meritus hotel, providing personal, prompt and intuitive service from arrival to departure. She is the personification of the brand's core values – Oriental beauty, contemporary charm, and timeless elegance. 40 years later, the Meritus Ambassador has transcended time and continues to be the widely-recognized brand icon of Meritus Hotels & Resorts. She lives on as the brand's Mark of Excellence.

## HORECA SCHOOL OF EXCELLENCE

Boisterous bars, respected restaurants, bubbling bistros or any other successful F&B outlets you can think of owe success to one thing: their staff. Well after the grand launch, the novel concept or the posh address has dimmed in sheen, the staff is what keep patrons coming back for more.

To have a successful entertainment or F&B outlet you need to have successful staff. By that one means a staff that is well experienced, multi-talented, well trained and most importantly has the right attitude. If you're lucky, your staff comes 'pre-loaded' with the requisite criteria and you're well on your way to success. If not, this is where the HORECA SCHOOL OF EXCELLENCE (HSE) comes in.

HSE was started in 2006 as a means of disseminating the secrets of excellence to entertainment outlets and their staff. Its ultimate goal was to raise the level of expertise and performance of Klang Valley venues consistently higher as well as instil a sense of pride to those in this unique industry. Consequently, patrons would come to expect better for their patronage.

Essentially HSE is, as its name suggests, a school. It features theoretical and on-the-job programmes of various disciplines designed to motivate, improve and elevate outlet staff and their skills. These courses which are conducted by the best in the industry, both international and local, means that trainers know the best there is out there and exactly how to get the best out of participants.

More than a school, HSE has expanded into a network of partner outlets. Currently with 48 member outlets, the network is steadily expanding and with it a more sophisticated and professional level of service which Klang Valley patrons are beginning to notice and enjoy. Consistency is key, which is why HSE also constantly conducts exercises, promotions and support activities to stimulate the network. As a result, they are becoming the enviable industry benchmark of excellence. If you want proof, the network is comprised of some of the most popular venues in the city like WIP, 7atenine, Rootz and twenty.one kitchen+bar, who are also multiple award winners in excellence.

## HAP SENG CONSOLIDATED BERHAD

# HAP SENG CONSOLIDATED BERHAD

Established in 1993, Family Choice is one of the leading brands of cooking oil in Australia. A registered trademark under Wintercorn Edible Products Pty. Ltd. Australia, the brand has established a strong following amongst health conscious Australian consumers who appreciate products that are of high quality, natural, and of high food safety standards.

In Canada, Family Choice's soft cooking oils in the series of pure vegetable oil is the healthiest and most versatile type of cooking oil, not only rich in HDL or beneficial cholesterol, but also the best in Omega-3 fat sources. Family Choice has four distinct products, namely canola oil, corn oil, sunflower seed oil and soya bean oil. According to a study done by CHOICE – a leading consumer advocacy group in Australia – Family Choice's canola oil is one of the healthiest canola oils in the Australian market. The versatility of canola oil makes it the most commonly used of all cooking oils. Its light, clear and mild attributes make it ideal for cooking, baking and creating marinades, while the high contents of HDL or good cholesterol and Omega-3 fats add to its health-conscious persona.

Corn oil is mild in taste and contains a high ratio of Omega-6 fats. The oil is carefully extracted from corn or maize. Sunflower seed oil also contains Omega-6 fats but is more known for possessing anti-oxidants and Vitamin E, which lowers cholesterol. This oil is often associated with cardiovascular benefits. Soya bean oil contains high levels of Omega-3 and Omega-6 fats. The optimum level of these fats is essential for bone and skin health.

Family Choice has been awarded the BRC Global Standard for Food Safety Certificate, ISO22000 (2005) Certification, HACCP Food Safety Certification, Singapore Healthier Choice Award, Singapore Halal certified and Malaysia Jakim Halal certified. Family Choice's soft cooking oil range is sold in major retail stores and supermarkets in Malaysia and is distributed by DKSH Malaysia Sdn Bhd, one of the largest distribution and logistics companies in the country. Their extensive network and depth of knowledge on premium consumer products are key factors to the success of Family Choice's products in the Malaysian market.
